# BIO

From the Kennebecasis Valley of New Brunswick, Zack Ingles' unique brand of foot-stompin, banjo driven, folk twang is a heartfelt gift to fans and friends. With sonic influences reminiscent of Neil Young, Mumford & Sons, and Noah Kahan, - Ingles' catchy pop melodies and relatable storytelling make an unforgettable and timeless connection with every listener.

Notable appearances have included: Area 506, Shivering Songs Festival, Winter Warmer Festival, Living Roots Festival, Rising Tides Festival, Sussex SummerFest, Paddlefest, and winning the Scene's Big Battle of the Bands 2024.

Ingles' sophomore EP "Get Ahead" was released in June 2024 and has received accolades from across Canada; including regular national airplay on CBC Radio; with the single, "Weathered Heart" earning more than 35,000 streams in it's first 6 months.

 **Press Photos**

"How a rural NB musician received over 35,000 streams of his latest release."

**-CBC Saint John Interview**

"The often-gravelly texture of his singing voice enhances the fact that he understands the little hardships we all go through."

**-Great Dark Wonder**

"It's a story that feels familiar."
